Myah Abraham  
and  
Campus Leaders

### The Pro-Life Generation

At MCRTL we believe that the passing of the torch to the next generation is key to effecting true change in our culture. We are thrilled to have a team of young people eager to run with that torch! Please make plans to join us for our August Monthly Meeting and invite the young people you know

**Myah Abraham, uses YouTube to influence her generation toward a respect for Life.** YouTube has replaced traditional media as the **primary means** of how young people get “news”. Myah will share her expertise in making and communicating via videos uploaded to YouTube. You too can be a YouTuber and communicate Life!

Attendees will also have the opportunity to meet MCRTL's six [Dr. Joseph Graham Pro-Life Fellows](#) serving three of our Lone Star campuses! Tori Ramos-Mata, Briana Arvizu, Josiah Sutton, Abi Barreras, Christian Castro, and Hannah Bray will be leading Pro-Life clubs on the LSC Montgomery, Tomball, and Cy-Fair campuses for the 2019-20 school term.

The Fellows will be coordinating events, volunteer projects, displays, etc. that will promote a respect for Life. We need their voices and they need our support, so please mark your calendars for this fun meeting to start the school year!
