From Death to Life: An Abortionist's Story

In 2007, 40 Days for Life began as a movement that would spread worldwide in just a few years. Rooted and grounded in love, it has changed the face of the Pro-Life movement as a whole, emphasizing the need for prayer for the unborn, their mothers and fathers, and abortion workers.

As we approach the fall 40 Days for Life campaign, we are thrilled to feature a very special guest speaker.

Dr. Haywood Robinson, Director of Medical Affairs and Education for 40 Days for Life, is a former abortionist who left the industry when he received

new life in Christ in 1986. Both he and his wife, Noreen, who is also a family practitioner and former abortionist, have been passionate about the Lord and Pro-Life work ever since.

You will not want to miss this engaging speaker, full of warmth and wisdom, who has experienced both sides of this issue and chosen Life!
